

TRIP/DIVE

Date: October 17th, 2026

Time: 4:00pm

Location: Patton Beach (Waterman's Landing), Carnelian Bay, Lake Tahoe

Activities: 2 dives. Underwater Pumpkin Carving day dive (or surface carving) with night dive to follow for viewing of the glowing pumpkins and the divers retrieving their pumpkins at the end of the dive.

Water Temp: 56 - 60 degrees

Divemaster/Instructor(s): Jasper Jacobs

Additional Info: Briefing will start at 4:00pm. Bring pumpkin, plastic carving device, (no sharp knives for U/W) and chemical light stick to light pumpkin, mesh bag to transport. Bring food and drinks for surface interval between dives. Join us for an unforgettable underwater adventure this October! Grab a pumpkin, your dive light, and your creativity for our Pumpkin Carving Dive. We'll submerge pumpkins at dusk and then return after dark to see the "Pumpkins of the Deep" glowing below the surface. A spooktacular evening of diving, fun, and fall spirit—open to all certified divers!
